

ASBPA Peer Review Volunteer Form

ASBPA peer reviews every article that is published in Shore & Beach journal. We need peer reviewers with a wide range of expertise. In addition to qualifications, it is important to understand that timeliness is critical. We will let you know ahead of time when articles should be expected, but they need to be turned around in a week's time period if at all possible. Slow peer review means the journal is delayed. If you are interested in being a peer reviewer, please fill out the form below:
