

# **HOW THE NOAA OFFICE FOR COASTAL MANAGEMENT INVESTS IN RESILIENT COASTS**

**Josh Murphy**

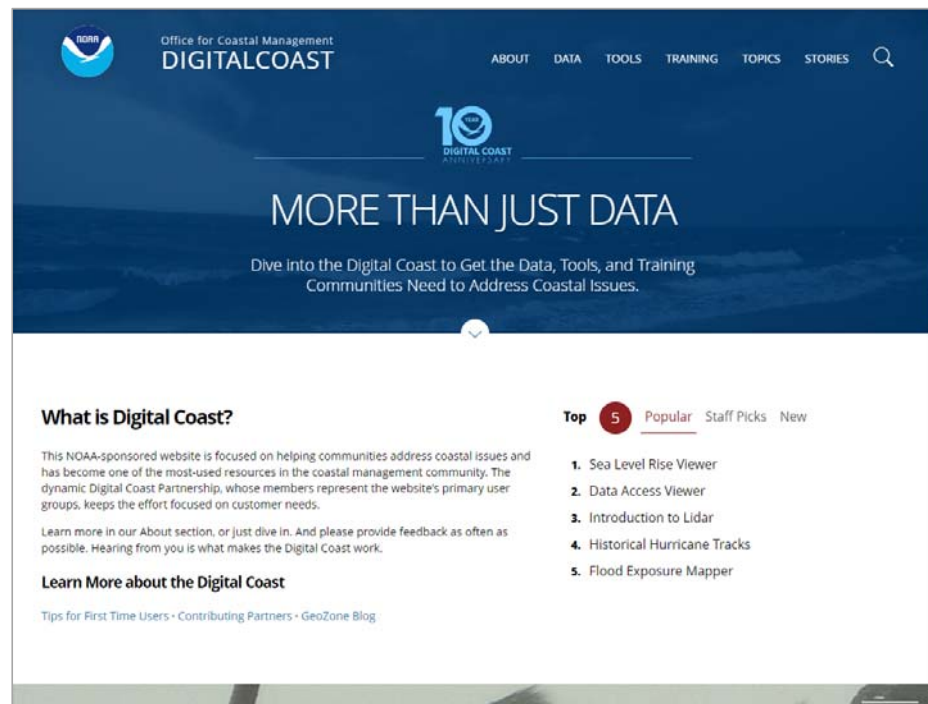

**NOAA Office for Coastal Management**

**March 13, 2019**

# We're Investing in Information

- **Digital Coast:** A constituent-driven, integrated, enabling platform supporting coastal resource management that is used
  - Data
  - Tools
  - Training
  - Case Studies

# We're Investing in Partnerships

- **Digital Coast Partnership**

- NOAA Office for Coastal Management
- American Planning Association
- Association of State Floodplain Managers
- Coastal States Organization
- National Association of Counties
- National Estuarine Research Reserve Association
- National States Geographic Information Council
- The Nature Conservancy
- Urban Land Institute

# We're Investing in Coastal Communities

- 2015-16 Regional Coastal Resilience Grants
  - \$9 million with \$5 million in matching support funding 12 projects
- 2017 Coastal Resilience Grants
  - Integrated program with NOAA Fisheries
  - \$13.8 million with \$8.3 million in matching support funding 19 projects
- 2018 National Coastal Resilience Fund
  - Partnership between NOAA and NFWF
  - \$28.9 million to fund 35 projects

## Key Themes

- Incorporating climate change data into proactive community plans
- Nature-based solutions to control flooding
- Restoration and strengthening of natural infrastructure to protect coastal communities and enhance fish and wildlife habitat
