Professional Development Hours:

At your request, we will provide certificates for 20 professional development hours. Coastal Zone Foundation will offer four PDHs for each short course completed.

*Program***

We look forward to being back in NOLA for the two and a half-day National Coastal Conference. This year's theme, "Geaux Resilient", continues to broaden our focus across the entire physical coastal and estuarine system thus making resilience and living shoreline themed papers an area of particular focus. In addition, we will be launching the Blue Flag program in the U.S. For more information on the current program, visit the conference website.

One Half-day Short Course: Short Course on Tuesday, September 28th from 12 p.m. until 4 p.m. Topic is Project Management.

These basic courses are intended for coastal practitioners, professionals, consultants and representatives from government agencies and nongovernmental organizations. Students and new professionals are also encouraged to attend.

The short course topic is one module that will be offered in partial completion of the Certified Coastal Practitioner (CCP) program. The complete program will consist of 10 or more modules offering a broad, multidisciplinary platform of knowledge for current and prospective coastal professionals and providing an introductory look at the various areas of coastal expertise that are crucial to successful and sound coastal management. The basic objective of this program is to deliver the fundamentals of each topic applied in coastal management, so that individuals obtain exposure to a breadth of knowledge and expertise.

***Short Course:** Tuesday, September 28th from 12 p.m. to 4 p.m. for Project Management

ASBPA board meeting: Wednesday, September 29th, 8 a.m. to 11:30 a.m.

Annual Members meeting: Wednesday, September 29th at 5 p.m.

Daily Sessions: Wednesday at 1pm through Friday at noon

Posters: Available for viewing throughout the conference, but specifically from 5:30 – 7:30 p.m., Wednesday, September 29th

Awards: Thursday, September 30th during the Annual Meeting luncheon

***Field Trip:** Friday, October 1st from 1-5pm, Davis Pond

*Additional fee

**Program, including times, will be in draft form and may be modified.
